Hi everyone,

I've recently volunteered to be the contact person for PNC events. Mary Catherine Snyder will also be helping me, so feel free to ask either of us any questions you have moving forward.

Just to clear up any confusion and give some background information, PNC asks us which events we want to work a few months ahead of the actual events. We pick the events we want to work and are then "contracted" to work those specific events. I've gone through and deleted all sign-up genius links that we are not currently contracted to work. It's really important that we are able to fill these contracted slots, so please consider signing up! It's a great way to pay off current as well as future band dues! The links for hockey games and the Celene Dion concert that we are contracted to work are below. If all slots are full but you wanted to work, let me know and I'll add you to a back-up list.

Before working, it's best to be BARS trained. The link to sign up is the same as above.

We may also be able to work NC State Basketball games or other events - see attachment. If you're interested in working any of these, please let me know. I'm happy to ask PNC if they have any space for us.

Thanks!
